The following is an examiner's statement of reasons for allowance:

The amendment of 3/10/05 has overcome rejections of record in the action mailed 12/14/04. It is considered that claim 30 further limits base claim 28, given the disclosure at page 6, lines 10-11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Page 12 of the Transmittal Letter at filing claims benefit of the provisional application; thus no examiner's amendment is required to refer to the provisional application in the specification.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David A. Saunders, PhD whose telephone number is 571-272-0849. The examiner can normally be reached on Mon.-Thu., 8:00 am-5:30 pm and alternate Fridays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christina Chan can be reached on 571-272-0841.
